HAMFEST 2021

KENTUCKIANA'S MOST EXCITING HAM RADIO EVENT

GLH-2021 has something for everyone interested in Amateur Radio. It's all about the flea market, tailgating, forums, prizes, and hams gathering together for one big event. We're celebrating 60 years of Hamfests and there are exciting happenings for all to enjoy.

Inside you'll find our merchants and flea market hams with everything from the latest equipment and electronics parts to vintage gear and accessories. There are Ham Radio Forums to help expand your knowledge and skills. And enjoy delicious food and drinks at the Concession Stand, along with plenty of tables and seating.

Outside, there's tailgating with a variety of gear and equipment where you can find almost anything you might need for your ham shack.

If you're not a ham, Volunteer Examiners offer license exams.

Plus, we'll be giving away a slew of Door Prizes all day long and at 1PM we will have our Major Door Prize drawings.

Whatever the Weather, We'll Hamfest Together
